

CLIENT: John Laing Property

LOCATION: Reading

PROJECT COST: £4m

FLOOR AREA: 32,000 sq ft

DESCRIPTION:

Kings Wharf in Reading has been created into prime office accommodation on ground and four upper levels. This also included the refurbishment of the existing listed building Highbridge House, on the ground and two upper levels. As testimony to its quality and location, Kings Wharf was pre-let prior to completion and is currently occupied by several high profile public and private tenants.
