

INDUSTRIAL

BICESTER PARK

CLIENT: John Laing Property

LOCATION: Oxford

PROJECT COST: £3.3m

FLOOR AREA: 82,000 sq ft

DESCRIPTION:

Bicester Park contains three Industrial Units which have been developed over two phases. It comprises a terrace of two units, together with a single detached building consisting of light industrial and warehouse space, with ancillary two-storey office accommodation and lorry yards, and external car parking areas. It is also accessible to the main road and has general landscaping.
